SentryGlas®

Advanced Interlayers Solutions Division is pleased to confirm that

Tough Glass

has successfully passed the qualification process of lamination SentryGlas® – part of the Trosifol® product portfolio - and has met the required performance criteria based on performance monitoring (PM) testing completed on March 16th, 2026.

This Letter of Recognition is valid until February 28th, 2027 as long as your manufacturing process for laminated safety glass remains unchanged. Renewal is subject to continued compliance with performance requirements.
